

Melinda Folse

Author | Editor | Writing Partner

*Woman on a mission to tell stories
that make a difference.*

How can I help with yours?

Are you looking for a writing partner you can trust to:

- Capture a subject's voice in clear, compelling written form?
- Keep promises and deliver the product to your specifications?
- Get the story ready on time — every time?
- Create a reflection of your brand of which you can be proud?
- Work with you to achieve prime positioning in your chosen marketplace?

With my proven track record and range of experience, I'm the writing partner who can help you:

- Convert and expand dynamic live presentations into print and/or digital books, special reports and white papers.
- Create strategic messaging to build brand awareness, build and attract bigger audiences
- Reflect and promote the unique message you have to deliver

"We feel you knew exactly what we were trying to accomplish, and we appreciate your empowering acute focus on our thoughts and intentions. You have used your talent to connect everything we discussed and felt in our hearts."

— Lynn Kenner, Founder and CEO of Children's University
